

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SOUTHERN OHIO TELEPHONE)	
COMPANY TO CONSTRUCT A CELL SITE AT 1720)	CASE NO. 91-312
DIXIE HIGHWAY, FT. WRIGHT IN KENTON)	
COUNTY, KENTUCKY)	

O R D E R

On September 16, 1991, the City of Ft. Wright, Kentucky, ("Ft. Wright") filed a motion requesting the Commission to schedule a public hearing in Ft. Wright to receive public input on the impacts of constructing a cellular telecommunications tower as proposed in this case.

Based on the motion and being advised, the Commission finds that due to the frequency of similar requests for hearings to be held in the affected areas, the motion must be denied. If hearings were to be held throughout the state, many members of the Commission's staff would be out of the office so frequently that it would severely disrupt our ability to manage the workload. However, the Commission tries to be as accommodating as possible in scheduling a hearing at our offices in Frankfort, Kentucky.

IT IS THEREFORE ORDERED that Ft. Wright's motion be and it hereby is denied.

Done at Frankfort, Kentucky, this 26th day of September, 1991.

PUBLIC SERVICE COMMISSION

Chairman

Vice Chairman

Commissioner
